

Directions to Burnaby Velodrome

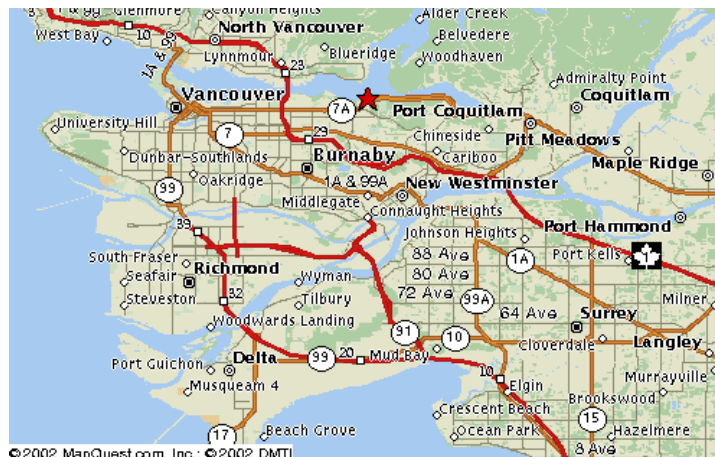

The Burnaby Velodrome is inside the Harry Jerome Sports Centre on the north side of Burnaby Mountain, about 20 minutes drive due east from downtown Vancouver, BC.

The address is:
Burnaby Velodrome Club
Harry Jerome Sports Centre
7564 Barnet Highway
Burnaby, British Columbia
V5A 1E7

Your best driving directions from anywhere is to make it into Hastings St., east of Boundary Road (the division between Vancouver and Burnaby) and head East. Hastings turns into Barnet Highway at the bottom of Burnaby Mountain. **DO NOT** take the off ramp to SFU. This will put you over the top of the mountain. Instead, keep going left (North) around the side of the mountain. You will descend, come around a sweeping corner and **VOILA** there is the facility. It's a sharp right hand-turn at the lights, then up to the big white bubble:
