1 Welcome Remarks

Thank you for your interest in participating in the 2023 BC Provincial Track Championships. The Burnaby Velodrome Club last held this event in 2021. Through the support of Cycling BC and the Province of BC we are able to welcome competitors, their families, friends and our community to the Burnaby Velodrome located on the ancestral and unceded homelands of the [hən̓q̓əmi̓ñəm](#) and [Skwxwú7mesh](#) speaking peoples.

The mission of the Burnaby Velodrome Club is to enrich all levels and abilities within the track cycling community. The Burnaby Velodrome Club is a not-for-profit society that offers Burnaby residents, as well as athletes from Western Canada and the Northwestern USA, access to year-round track cycling programming. For over 25 years, the society has developed into a key stakeholder involved in the international recognition of Canadian track cycling.

Enjoy your weekend.

Sincerely,

Michael Wegner

President,
Burnaby Velodrome Club

3 Event Specific Information

3.1 Rules & Racing format

All events

- Sprint
 - The qualification for the Sprint tournament will be a flying 200m TT.
 - 8 to qualify.
 - Only the semi-final and final rounds (gold/silver, bronze/4th) will be a best of three.
 - Categories with few riders will go directly to the semi-finals.
- Keirin
 - Format of the Keirin tournament will be based on the number of riders registered.
- Individual Pursuit (IP) and Time Trial (TT)
 - One ride only (final) for all categories except for ELITE M/W IP
 - Elite M/W IP – if the top two riders in the first round are within 10 seconds of each other then a final Gold – Silver medal round will take place in the evening session. If there are more than 10 seconds between the fastest and second fastest time, then medals will be awarded based on those first ride standings.

- Omnium
 - If there are more than 20 riders registered in any category, there will be a qualifying points race, but shorter distance. An even number of riders will advance from each group to a maximum of 10 from each qualifying heat.
 - Riders must finish the previous omnium event (may not skip an event) to start the next omnium event.
 - Riders that are not influencing the race and are down at least two laps may be pulled from the race at the commissaires discretion.
 - Riders pulled from an omnium race will receive a red flag.
 - Riders pulled will lose 40 points from their overall omnium score.
 - The race organizer reserves the right to combine categories and change distances at their sole discretion.
 - Combined races categories will be scored as one race and categories separated after the race to determine podiums.
- Team Sprint & Team Pursuit
 - One ride only (final).
 - If riders are without teams, composite teams are highly encouraged. Composite teams can include mix women and men teams.
 - Teams made up of mixed categories will be placed in the category of the most competitive field based on the rider with the highest-level license. For example
 - Elite if there is at least one Elite
 - U19 if there is at least on U19 and no elites or masters
 - Master A if there is at least one Master A and no elites or U19
 - U17 if there are no U19
 - Master B if there are no Master A riders
 - Where a woman is on a mixed team the team will be listed under men and then category based upon the above.
 - Teams must be submitted to the registration desk near the beginning of the session.

3.2 Eligibility and License information

- All athletes must be in possession of a valid UCI international license or a Cycling BC provincial race license.
- Domestic licenses from other countries or provinces within Canada are not permitted.
- Out of province riders are permitted in this event, however, these riders are not eligible for championship medals and jerseys. Podiums will be

conducted for placings, as well as for championships medals as necessary.

- 1 day event licenses will be available for the following categories: U15/Youth Ability Based Racing.

3.3 Categories

- All competitors must enter their event class as shown on their license.
 - Master MD: 65+
 - Master MC: 55-64
 - Master MB: 45-54*
 - Master MA: 35-44*
 - Master MW: 35+*
 - Master MW: 55+
 - Elite M (19+) TK Category 1&2
 - Elite M (19+) TK Category 3 & 4 (non championship)
 - Elite W 23+
 - U19 Men
 - U19/U23 Women
 - U17M*
 - U17W*
 - U15 and younger (Youth Ability Based Racing – non championship)

*In certain instances, riders in these categories may be given permission to race Elite TK1&2.

*U15, U17, U19 riders require their coach's permission and must obtain Cycling BC permission may race in higher category races.

*Racers that wish to race outside of their licensed category are eligible for provincial titles in the upgraded category. i.e. if you finish first, you will receive the jersey and the medal.

Racers that wish to race outside of their licensed category may select one category for sprint events and another category for endurance events. i.e. the rider selecting to race as an elite when licensed as a master must compete as an elite for all the races in that Omnium category Sprint or Endurance. But may enter the other endurance events in their licensed category. You must inform the this at registration.

BVC Championship Omnium winners are only for riders racing in the elite category.

3.4 Youth Ability Based Racing

The Burnaby Velodrome will continue to employ an ability-based category model for youth racing in order to challenge athletes and allow them to race peers by ability in similar stages of athlete development. This model has been proven to engage young athletes, build capacity within youth cycling and build community among youth cyclists. The event will feature an ability-based racing program for U15 youth during the afternoon of Saturday, December 16, 2023.

- Applies to riders U15 and younger.
- Ability based groupings.
- U17 riders can request to race down into ability-based groups.
- For the best race experience, coaches/parents should register racers in one of the following categories that best describes the racers' ability level:

A. can ride up to or above 40kph avg

Skills mastered or refined from level B as well as - tight pack condition riding, using the track to improve position, acceleration through dropping down banking, riding at the rail out of the saddle, contact with other riders, reacting to crashes, sustain 30 minute Max. effort, assess track and opponents and choose strategy.

B. can ride 35-40kph avg

Skills mastered or refined from level C as well as - previous track pack riding experience, other group riding, in and out of saddle acceleration, riding at the rail in the saddle, understand/execute tactics. Sustain 20-minute Max. effort.

C. can ride 30-35kph avg- coached race for beginner racers

Skills mastered, refined or consolidating - entering the track with consideration of other riders' speed and position on the track, shoulder checking to look up and down the track, calling out "stick", group track riding at other tracks, riding a paceline, changing speeds to adapt to changing conditions, modulate speed, standing sprint, refined agility.

3.5 Upgrades

- Masters racers may request permission to race in the Elite category for the Sprint Omnium or endurance omnium or both.
- Riders wishing to compete in a category other than what is on their license are required to receive written permission by Cycling BC.
- Category change requests can be sent to thomas@cyclingbc.net. We will NOT be able to accommodate upgrade requests made onsite.
- Athletes aged 14 years old (born in 2009) wishing to compete in the U17 event race must receive a temporary upgrade letter from Cycling BC. In order to be considered for an upgrade, the athlete must submit the following to Cycling BC no less than 1 week prior to the event:
 - a letter of recommendation written by that athlete's NCCP certified coach

- a list of results obtained in track events sanctioned by a provincial or national sport organization during the 2022 or 2023 season
- Non-BC residents should submit a photocopy of their UCI license
- Non-BC residents must have out of province or out of country insurance/
- Upgrade request can be sent to thomas@cyclinqbc.net. We will NOT be able to accommodate upgrade requests made onsite.
